Overview

The primary purpose of Lincoln County Community Mobilization is to have a strong collaboration with broad and diverse community representation that promotes countywide comprehensive prevention services that will utilize available resources and increase prevention efforts toward safer and healthier communities.

Community Partners/Service Providers

- Lincoln County Meth Action Team
- Educational Service District 101
- Lincoln County Health Department's Tobacco Prevention and Control Program
- Lincoln County school districts
- Lincoln County WSU Extension
- Lincoln County Adult and Juvenile Probation
- Lincoln County Sheriff's Office
- Family Resource Center
- Lincoln County Prevention Coalition

Program Outcomes

- ◆ Using the Family Tension Survey with **Strengthening Families** participants: 35 percent reported high family tension in the pre-test, and only 18 percent reported high family tension in the post-test.

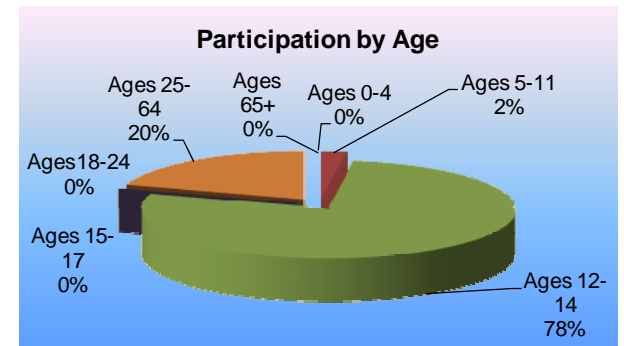

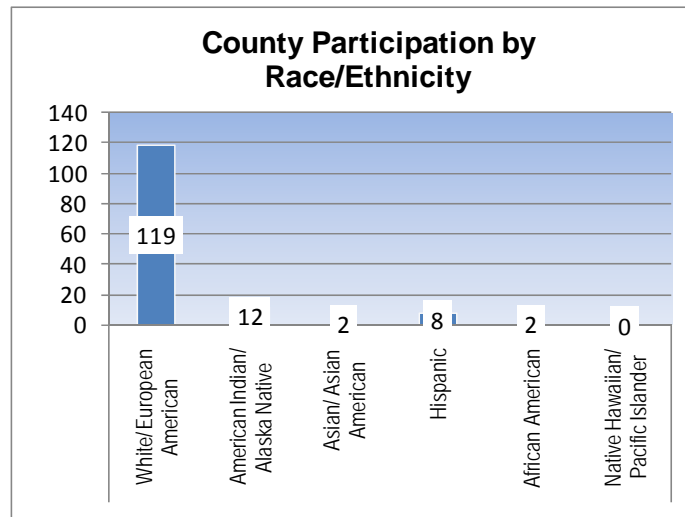

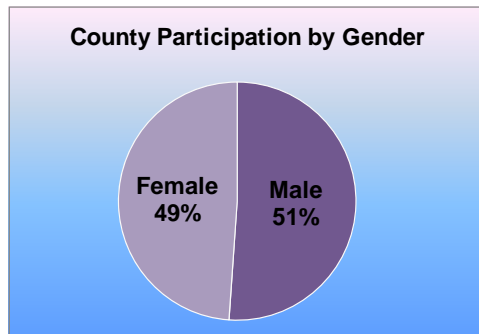

Program Highlights

- ◆ The **LifeSkills Training Program** was a success in the Harrington School District. The program was implemented with grades six and seven; the students loved the program.
- ◆ The Alcohol/Drug Center's Lincoln County **Meth Action Team** was active throughout the county and had a strong group of participants.

- Favorable Attitudes towards Substance Abuse; Healthy Beliefs and Clear Standards
- Family Conflict

Meth Action Team

The Lincoln County Meth Action Team's *Meth Watch* education program provided many PowerPoint presentations countywide. *Meth Watch* was designed to promote collaboration between local law enforcement, chemical companies, community members, and retail merchants to stem the flow of precursor theft and purchase by those persons intent on manufacturing meth.
