

Washington State Lead Safe Housing Registry
Lead Hazard Control Program
Department of Commerce

lead hazard control. These properties were assessed for lead hazards and those hazards were corrected in the year listed. The housing units met the applicable standard for clearance for the year of completion. The current status of these units has not been determined.

This data is updated quarterly and may not be current at the time of viewing. If you have questions about any of these properties, you may contact Cynthia Sanderson at cynthia.sanderson@commerce.wa.gov.
