Report Parameters

Region:	%	Program:	%
Organization:	%	Program Type Code:	All
Date Range:	1/1/2013 - 12/31/2013		

Report Description

Basic Logic:

Count: Head of Household Master ID

Program Types:

a. Rapid Re-housing = (Homelessness Prevention and Rapid Re-housing" plus Housing Status = "Literally Homeless"

b. Emergency Shelter = "Emergency Shelter"

c. Transitional Housing = "Transitional Housing"

Report Method:

a. Rapid Re-housing = at least one service within report period

b. Emergency Shelter = at least one service within report period

c. Transitional Housing = at least one day active in program within report period

All client data from program entry or exit snapshots

	Rapid Re-housing	Emergency Shelter	Transitional Housing
--	------------------	-------------------	----------------------

Total Households Served	With only child(ren)	27	1067	252
	With only adult(s)	5154	20221	3671
	With both adult(s) and child(ren)	1814	3646	2381
	Total Households	6992	24891	6292

Basic Logic plus ProgramEndDate within report period

Total Households Exited	With only child(ren)	11	933	143
	With only adult(s)	3012	17311	1997
	With both adult(s) and child(ren)	1137	3156	1104
	Total Households	4158	21372	3242

Basic logic plus ProgramEndDate within report period and Destination like all "Rental" or all "Owned" or "PSH" or "Permanent with family/friends"

Exits to Stably Housed	With only child(ren)	6	413	43
	With only adult(s)	1719	1856	1084
	With both adult(s) and child(ren)	891	1049	791
	Total Households	2616	3317	1918
Rate of Exits to Stably Housed	With only child(ren)	55%	44%	30%
	With only adult(s)	57%	11%	54%
	With both adult(s) and child(ren)	78%	33%	72%
	Total Households	63%	16%	59%

Basic logic plus ProgramEndDate within report period and Destination like "Rental without subsidy" or "Owned without subsidy" or "Permanent with family/friends"

Exits to Stably Housed - Unsubsidized	With only child(ren)	5	402	38
---------------------------------------	----------------------	---	-----	----

Report Parameters

Region:	%	Program:	%
Organization:	%	Program Type Code:	All
Date Range:	1/1/2013 - 12/31/2013		

Exits with Earned Income:

Basic logic plus ProgramEndDate within report period and Income Source like "earned income".

Exits with Increased Overall Income:

Basic logic plus ProgramEndDate within report period and increase in total income amount from program entry snapshot to program exit snapshot.

Exits with Increased Earned Income:

Basic logic plus ProgramEndDate within report period and increase in total income amount from program entry snapshot to program exit snapshot where Income Source like "earned income".

Exits with Earned Income	With only child(ren)	2	21
	With only adult(s)	385	347
	With both adult(s) and child(ren)	510	434
	Total Households	897	802
Rate of Exits with Earned Income	With only child(ren)	18%	15%
	With only adult(s)	13%	17%
	With both adult(s) and child(ren)	45%	39%
	Total Households	22%	25%
Exits with Increased Overall Income	With only child(ren)	3	17
	With only adult(s)	414	531
	With both adult(s) and child(ren)	252	438
	Total Households	669	986
Rate of Exits with Increased Overall Income	With only child(ren)	27%	12%
	With only adult(s)	14%	27%
	With both adult(s) and child(ren)	22%	40%
	Total Households	16%	30%
Exits with Increased Earned Income	With only child(ren)	2	11
	With only adult(s)	99	210
	With both adult(s) and child(ren)	177	272
	Total Households	278	493
Rate of Exits with Increased Earned Income	With only child(ren)	18%	8%
	With only adult(s)	3%	11%
	With both adult(s) and child(ren)	16%	25%
	Total Households	7%	15%

Exited and Prior Living Situation was Unsheltered:

Basic logic plus ProgramEndDate within report period and prior living situation like "Place not meant for human habitation".

Exited and Prior Living Situation was Institutional:

Basic logic plus ProgramEndDate within report period and prior living situation like "jail" or "hospital" or "psychiatric facility" or "substance abuse treatment facility" or "foster care".
