# 1999 Outstanding Local Government General Obligation Debt

## Notes

- Data is as of the end of the fiscal year for each jurisdiction: August 31, 1999 for school Districts, and December 31, 1999 for all other jurisdictions.
- The debt capacity in the following table represents the statutory debt limitations on local governments, not the constitutional debt limitations.
- The amounts shown do not include intergovernmental loans, such as Public Works Trust Fund, Department of Ecology, or U.S. Department of Agriculture loans.
- The Following table includes only jurisdictions that returned surveys sent to the Office of Community Development. If a jurisdiction is not listed, no assumptions should be made about their debt status.
