1 INTRODUCTION

1.1 PURPOSE AND BACKGROUND

Background:

The Department of Commerce is the one agency in state government that touches every aspect of community and economic development: planning, infrastructure, energy, public facilities, housing, public safety and crime victims, international trade, business services and more. We work with local governments, businesses and civic leaders throughout the state to strengthen communities so all residents may thrive and prosper.

Office of Homeless Youth

Every night, thousands of homeless youth in Washington go to sleep without safety, stability, and support of a family or home. Created in 2015, the Office of Homeless Youth Prevention and Protection Programs (OHY) leads the statewide efforts to reduce and prevent homelessness for youth and young adults through five priority service areas to ensure our youth and young adults have:

- Stable Housing - Every youth has a safe and healthy place to sleep at night.
- Family Reconciliation - Families are reunited when safe and appropriate.
- Permanent Connections - Youth have opportunities to establish positive, healthy relationships with adults.
- Education and Employment - Youth have opportunities to advance in their education or training and obtain employment.
- Social and Emotional Well-Being - Youth have access to behavioral and physical health care; services nurture each youth's individual strengths and abilities.

OHY works with partners and communities to establish ongoing and future funding, policy, and best practices related to improving the lives of homeless youth in Washington. Funding for the Office of Homeless Youth is specifically allocated to four programs, each with a targeted mission, working together to increase the well-being of youth and young adults in transition.

Office of Family and Adult Homelessness

The 2017 PIT Count revealed that with over 20,000 people experiencing homelessness in Washington, a resolution to homelessness continues to challenge communities across the state. The Office of Family and Adult Homelessness (OFAH) supports homeless crisis response systems by administering state and federal homeless housing grants and leading statewide efforts to reduce homelessness in Washington. OFAH promotes best practices, sets high level performance standards, critically reviews data and supports innovative system change. There are seven primary goals identified in our state Homeless Housing Strategic Plan. OFAH's guiding principles include:

- All people deserve a safe place to live.
- Urgent and bold action is the appropriate response to people living outside.
- Interventions must be data driven and evidenced based.

Office of Behavioral Health Housing

The Office of Behavioral Health Housing is focused on growing local permanent housing resources for people who have long term supportive housing needs in partnership with the Washington State Department of Social and Health Services and the Washington State Healthcare Authority.

Historically our state has relied on psychiatric inpatient beds as a method for care for people with behavioral health needs. Around the country states have learned that many of those people can be served more closely to their community with the same or better outcomes for individuals, and at lower cost.

1.2 OBJECTIVE

The purpose of this contract is to provide consultation to Commerce staff on how to assess the strengths and weaknesses of the state's current response to homelessness and the state's efforts to strategically

invest funds to reduce homelessness. This includes consultation regarding contracting methods, policies, homeless system performance and strategies to improve system-level and project-level performance.

Commerce will only consider responses from applicants whose consulting expertise is with youth & young adults and/or adult & family homeless sub populations.

Specific Duties of Consultant:

- Provide consultation in developing formula and competitive youth/young adult and adult/family system funding applications and performance based contracts.
- Provide guidance on the development and implementation of performance standards in funding contracts for youth/young adult and adult/family grants.
- Support Commerce in using Homeless Management Information System data to evaluate performance including determining benchmarks, homeless system and project assessments, including recommendations for funding and technical assistance.
- Provide technical assistance to Commerce and grant recipients on data quality, data comprehension, and strategies to improve outcomes.
- Provide technical assistance to Commerce and the Department of Social and Health Services that results in recommendations for data system collaboration and benchmarks related to supportive housing.
- Consultation can include meeting agendas, guidance documents and performance tools. At least four written documents/products will be expected and the content will be mutually determined during the course of the contract period.
- Communication will be between Consultant and Commerce representative/staff occurring via email, conference calls and on-site as mutually determined. Travel costs are inclusive.

1.3 MINIMUM QUALIFICATIONS

The Consultant must have the following minimum qualifications:

- Licensed to do business in the state of Washington.
- Experience consulting with state or local governments around strategic planning, assessing the performance of homeless programs for funders, delivering recommendations to governmental agencies regarding allocating funds for evidenced based interventions, determining the extent to which efforts to reduce homelessness are performing to high standards, use of Homeless Management Information System data for performance measurement, improving data collection, evaluation and outcome measurements and overall system performance in response to homelessness.

1.4 FUNDING

The overall budget for this project shall not exceed \$75,000. Commerce will determine the amount of funding for each award under this procurement.

- Applicants who consider themselves able to address both populations should apply for the full amount.
- Applicants who want to apply to consult on one of the populations (youth/young adults or adult/families) may not submit applications in excess of \$37,500.

Any contract(s) awarded as a result of this procurement is contingent upon the availability of funding.

1.5 PERIOD OF PERFORMANCE

The period of performance of any contract(s) resulting from this RFQQ is tentatively scheduled to begin on or about **May 1, 2018** and to end on or about **April 30, 2020**. COMMERCE reserves the option at its sole discretion to extend the contract for two additional one-year periods.

COMMERCE also reserves the right to cancel or to reissue the RFQQ in whole or in part, prior to execution of a contract.

2.6 DIVERSE BUSINESS INCLUSION PLAN

Responders will be required to submit a Diverse Business Inclusion Plan with their proposal. In accordance with legislative findings and policies set forth in RCW 39.19, the state of Washington encourages participation in all contracts by firms certified by the office of Minority and Women's Business Enterprises (OMWBE), set forth in RCW 43.60A.200 for firms certified by the Washington State Department of Veterans Affairs, and set forth in RCW 39.26.005 for firms that are Washington Small Businesses. The Director of COMMERCE will be notified of all complaints and will be provided a copy of COMMERCE'S response. The complaint may not be raised again during the protest period. COMMERCE'S action or inaction in response to the complaint will be final. There will be no appeal process.

2.9 RESPONSIVENESS

All proposals will be reviewed by the RFQQ Coordinator to determine compliance with administrative requirements and instructions specified in this RFQQ. The Consultant is specifically notified that failure to comply with any part of the RFQQ may result in rejection of the proposal as non-responsive.

COMMERCE also reserves the right, however, at its sole discretion to waive minor administrative irregularities.

2.10 MOST FAVORABLE TERMS

COMMERCE reserves the right to make an award without further discussion of the proposal submitted. Therefore, the proposal should be submitted initially on the most favorable terms which the Consultant can propose. COMMERCE does reserve the right to contact a Consultant for clarification of its proposal.

The Consultant should be prepared to accept this RFQQ for incorporation into a contract resulting from this RFQQ. Contract negotiations may incorporate some, or all, of the Consultant's proposal. It is understood that the proposal will become a part of the official procurement file on this matter without obligation to COMMERCE.

2.11 CONTRACT AND GENERAL TERMS & CONDITIONS

The apparent successful contractor will be expected to enter into a contract, which is substantially the same as the sample contract and its general terms and conditions attached as Exhibit C. In no event is a Consultant to submit its own standard contract terms and conditions in response to this solicitation. The Consultant may submit exceptions as allowed in the Certifications and Assurances section, Exhibit A to this solicitation. COMMERCE will review requested exceptions and accept or reject the same at its sole discretion.

It is anticipated the first deliverable under the contract will be a scoping plan, which will define the specific services to be provided by the CONTRACTOR based upon agreement between COMMERCE and the CONTRACTOR.

2.12 COSTS TO PROPOSE

COMMERCE will not be liable for any costs incurred by the Consultant in preparation of a proposal submitted in response to this RFQQ, in conduct of a presentation, or any other activities related to responding to this RFQQ.

2.13 NO OBLIGATION TO CONTRACT

This RFQQ does not obligate the state of Washington or COMMERCE to contract for services specified herein.

2.14 REJECTION OF PROPOSALS

COMMERCE reserves the right at its sole discretion to reject any and all proposals received without penalty and not to issue a contract as a result of this RFQQ.

2.15 COMMITMENT OF FUNDS

The Contractor is to furnish COMMERCE with a certificate of insurance executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth in the attached contract template.

The Contractor shall, at Contractor's own expense, obtain and keep in force insurance coverage, which shall be maintained in full force and effect during the term of the contract. 1. Letter of Submittal, including signed *Certifications and Assurances Form* (Exhibit A to this RFQQ)
2. Qualifications
3. Quotation
4. *Diverse Business Inclusion Plan* (Exhibit B to this RFQQ)

Proposals must provide information in the same order as presented in this document with the same headings. This will not only be helpful to the evaluators of the proposal, but should assist the Consultant in preparing a thorough response.

9. Submit full details of the terms for default, including the other party's name, address, and phone number. Present the Consultant's position on the matter. 4.5 DEBRIEFING OF UNSUCCESSFUL PROPOSERS

Upon request, a debriefing conference will be scheduled with an unsuccessful Proposer. The request for a debriefing conference must be received by the RFQQ Coordinator within three (3) business days after the Notification of Unsuccessful Consultant letter is e-mailed to the Consultant. The debriefing must be held within three (3) business days of the request.

Discussion will be limited to a critique of the requesting Consultant's proposal. Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted in person or on the telephone and will be scheduled for a maximum of one hour.

Consultants protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Consultants under this procurement.

All protests must be in writing and signed by the protesting party or an authorized Agent. The protest must state the grounds for the protest with specific facts and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included. All protests shall be addressed to the RFQQ Coordinator.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:0

- A matter of bias, discrimination or conflict of interest on the part of the evaluator
- Errors in computing the score

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) An evaluator's professional judgment on the quality of a proposal, or 2) COMMERCE'S assessment of its own and/or other agencies' needs or requirements.

Upon receipt of a protest, a protest review will be held by the COMMERCE. The COMMERCE Director or an employee delegated by the Director who was not involved in the procurement, will consider the record and all available facts and issue a decision within five business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may affect the interest of another Consultant that submitted a proposal, such Consultant will be given an opportunity to submit its views and any relevant information on the protest to the RFQQ Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold COMMERCE'S action.
- Find only technical or harmless errors in COMMERCE'S acquisition process and determine COMMERCE to be in substantial compliance and reject the protest.
- Find merit in the protest and provide COMMERCE options which may include:
 - Correct the errors and re-evaluate all proposals
 - Reissue the solicitation document and begin a new process
 - Make other findings and determine other courses of action as appropriate

If COMMERCE determines that the protest is without merit, COMMERCE will enter into a contract with the apparently successful contractor. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.

1. All material provided to the Contractor by COMMERCE that is designated as "confidential" by COMMERCE;
 2. All material produced by the Contractor that is designated as "confidential" by COMMERCE; and

10. CONFLICT OF INTEREST

Notwithstanding any determination by the Executive Ethics Board or other tribunal, COMMERCE may, in its sole discretion, by written notice to the CONTRACTOR terminate this contract if it is found after due notice and examination by COMMERCE that there is a violation of the Ethics in Public Service Act, Chapters 42.52 RCW and 42.23 RCW; or any similar statute involving the CONTRACTOR in the procurement of, or performance under this contract.

Specific restrictions apply to contracting with current or former state employees pursuant to chapter 42.52 of the Revised Code of Washington. In the event this contract is terminated as provided above, COMMERCE shall be entitled to pursue the same remedies against the CONTRACTOR as it could pursue in the event of a breach of the contract by the CONTRACTOR. The rights and remedies of COMMERCE provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law. The

11. COPYRIGHT

Unless otherwise provided, all Materials produced under this Contract shall be considered "works for hire" as defined by the U.S. Copyright Act and shall be owned by COMMERCE. COMMERCE shall be considered the author of such Materials. In the event the Materials are not considered "works for hire" under the U.S. Copyright laws, the Contractor hereby irrevocably assigns all right, title, and interest in all Materials, including all intellectual property rights, moral rights, and rights of publicity to COMMERCE effective from the moment of creation of such Materials.

"Materials" means all items in any format and includes, but is not limited to, data, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions. "Ownership" includes the right to copyright, patent, register and the ability to transfer these rights.

For Materials that are delivered under the Contract, but that incorporate pre-existing materials not produced under the Contract, the Contractor hereby grants to COMMERCE a nonexclusive, royalty-free, irrevocable license (with rights to sublicense to others) in such Materials to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. The Contractor warrants and represents that the Contractor has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to grant such a license to COMMERCE.

The Contractor shall exert all reasonable effort to advise COMMERCE, at the time of delivery of Materials furnished under this Contract, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this Contract. The Contractor shall provide COMMERCE with prompt written notice of each notice or claim of infringement received by the Contractor with respect to any Materials delivered under this Contract. COMMERCE shall have the right to modify or remove any restrictive markings placed upon the Materials by the Contractor.

12. DISPUTES

Except as otherwise provided in this Contract, when a dispute arises between the parties and it cannot be resolved by direct negotiation, either party may request a dispute hearing with the Director of COMMERCE, who may designate a neutral person to decide the dispute.

The request for a dispute hearing must:

- be in writing;
- state the disputed issues;
- state the relative positions of the parties;
- state the Contractor's name, address, and Contract number; and
- be mailed to the Director and the other party's (respondent's) Contract Representative within three (3) working days after the parties agree that they cannot resolve the dispute.

The Director or designee shall review the written statements and reply in writing to both parties within ten (10) working days. The Director or designee may extend this period if necessary by notifying the parties.

The decision shall not be admissible in any succeeding judicial or quasi-judicial proceeding.

The parties agree that this dispute process shall precede any action in a judicial or quasi-judicial tribunal.

Nothing in this Contract shall be construed to limit the parties' choice of a mutually acceptable alternate dispute resolution (ADR) method in addition to the dispute hearing procedure outlined above.

**GENERAL TERMS AND CONDITIONS
SERVICES CONTRACT
STATE FUNDS**

13. DUPLICATE PAYMENT

COMMERCE shall not pay the Contractor, if the Contractor has charged or will charge the State of Washington or any other party under any other contract or agreement, for the same services or expenses.

14. GOVERNING LAW AND VENUE

This Contract shall be construed and interpreted in accordance with the laws of the state of Washington, and the venue of any action brought hereunder shall be in the Superior Court for Thurston County.

15. INDEMNIFICATION

To the fullest extent permitted by law, the Contractor shall indemnify, defend, and hold harmless the state of Washington, COMMERCE, agencies of the state and all officials, agents and employees of the state, from and against all claims for injuries or death arising out of or resulting from the performance of the contract. "Claim" as used in this contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or the destruction of tangible property including loss of use resulting therefrom.

The Contractor's obligation to indemnify, defend, and hold harmless includes any claim by Contractor's agents, employees, representatives, or any subcontractor or its employees.

The Contractor expressly agrees to indemnify, defend, and hold harmless the State for any claim arising out of or incident to Contractor's or any subcontractor's performance or failure to perform the contract. Contractor's obligation to indemnify, defend, and hold harmless the State shall not be eliminated or reduced by any actual or alleged concurrent negligence of State or its agents, agencies, employees and officials.

The Contractor waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless the state and its agencies, officers, agents or employees.

16. INDEPENDENT CAPACITY OF THE CONTRACTOR

The parties intend that an independent contractor relationship will be created by this Contract. The Contractor and its employees or agents performing under this Contract are not employees or agents of the state of Washington or COMMERCE. The Contractor will not hold itself out as or claim to be an officer or employee of COMMERCE or of the state of Washington by reason hereof, nor will the Contractor make any claim of right, privilege or benefit which would accrue to such officer or employee under law. Conduct and control of the work will be solely with the Contractor.

17. INDUSTRIAL INSURANCE COVERAGE

The Contractor shall comply with all applicable provisions of Title 51 RCW, Industrial Insurance. If the Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, COMMERCE may collect from the Contractor the full amount payable to the Industrial Insurance Accident Fund. COMMERCE may deduct the amount owed by the Contractor to the accident fund from the amount payable to the Contractor by COMMERCE under this Contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the Contractor.

18. LAWS

The Contractor shall comply with all applicable laws, ordinances, codes, regulations and policies of local, state, and federal governments, as now or hereafter amended.

19. LICENSING, ACCREDITATION AND REGISTRATION

20. LIMITATION OF AUTHORITY

Only the Authorized Representative or the Authorized Representative's delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Contract. Furthermore, any alteration, amendment, modification, or waiver of any clause or condition of this contract is not effective or binding unless made in writing and signed by the Authorized Representative.

21. NONCOMPLIANCE WITH NONDISCRIMINATION LAWS

During the performance of this Contract, the Contractor shall comply with all federal, state, and local nondiscrimination laws, regulations and policies. In the event of the Contractor's non-compliance or refusal to comply with any nondiscrimination law, regulation or policy, this Contract may be rescinded, canceled or terminated in whole or in part, and the Contractor may be declared ineligible for further contracts with COMMERCE. The Contractor shall, however, be given a reasonable time in which to cure this noncompliance. Any dispute may be resolved in accordance with the "Disputes" procedure set forth herein.

22. PAY EQUITY

The Contractor agrees to ensure that "similarly employed" individuals in its workforce are compensated as equals, consistent with the following:

- a. Employees are "similarly employed" if the individuals work for the same employer, the performance of the job requires comparable skill, effort, and responsibility, and the jobs are performed under similar working conditions. Job titles alone are not determinative of whether employees are similarly employed;
- b. Contractor may allow differentials in compensation for its workers if the differentials are based in good faith and on any of the following:
 - (i) A seniority system; a merit system; a system that measures earnings by quantity or quality of production; a bona fide job-related factor or factors; or a bona fide regional difference in compensation levels.
 - (ii) A bona fide job-related factor or factors may include, but not be limited to, education, training, or experience that is: Consistent with business necessity; not based on or derived from a gender-based differential; and accounts for the entire differential.
 - (iii) A bona fide regional difference in compensation level must be: Consistent with business necessity; not based on or derived from a gender-based differential; and account for the entire differential.

This Contract may be terminated by the Department, if the Department or the Department of Enterprise services determines that the Contractor is not in compliance with this provision.

23. POLITICAL ACTIVITIES

Political activity of Contractor employees and officers are limited by the State Campaign Finances and Lobbying provisions of Chapter 42.17A RCW and the Federal Hatch Act, 5 USC 1501 - 1508.

No funds may be used for working for or against ballot measures or for or against the candidacy of any person for public office.

24. PUBLICITY

The Contractor agrees not to publish or use any advertising or publicity materials in which the state of Washington or COMMERCE's name is mentioned, or language used from which the connection with the state of Washington's or COMMERCE's name may reasonably be inferred or implied, without the prior written consent of COMMERCE.

25. RECAPTURE

**GENERAL TERMS AND CONDITIONS
SERVICES CONTRACT
STATE FUNDS**

In the event that the Contractor fails to perform this Contract in accordance with state laws, federal laws, and/or the provisions of this Contract, COMMERCE reserves the right to recapture funds in an amount to compensate COMMERCE for the noncompliance in addition to any other remedies available at law or in equity.

Repayment by the Contractor of funds under this recapture provision shall occur within the time period specified by COMMERCE. In the alternative, COMMERCE may recapture such funds from payments due under this Contract.

26. RECORDS MAINTENANCE

The Contractor shall maintain books, records, documents, data and other evidence relating to this contract and performance of the services described herein, including but not limited to accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this contract.

The Contractor shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the contract, shall be subject at all reasonable times to inspection, review or audit by COMMERCE, personnel duly authorized by COMMERCE, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

27. REGISTRATION WITH DEPARTMENT OF REVENUE

If required by law, the Contractor shall complete registration with the Washington State Department of Revenue.

28. RIGHT OF INSPECTION

The Contractor shall provide right of access to its facilities to COMMERCE, or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this contract.

29. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Contract and prior to normal completion, COMMERCE may suspend or terminate the Contract under the "Termination for Convenience" clause, without the ten calendar day notice requirement. In lieu of termination, the Contract may be amended to reflect the new funding limitations and conditions.

30. SEVERABILITY

The provisions of this contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the contract.

31. SITE SECURITY

While on COMMERCE premises, Contractor, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

32. SUBCONTRACTING

The Contractor may only subcontract work contemplated under this Contract if it obtains the prior written approval of COMMERCE.

If COMMERCE approves subcontracting, the Contractor shall maintain written procedures related to subcontracting, as well as copies of all subcontracts and records related to subcontracts. For cause, COMMERCE in writing may: (a) require the Contractor to amend its subcontracting procedures as

**GENERAL TERMS AND CONDITIONS
SERVICES CONTRACT
STATE FUNDS**

they relate to this Contract; (b) prohibit the Contractor from subcontracting with a particular person or entity; or (c) require the Contractor to rescind or amend a subcontract.

Every subcontract shall bind the Subcontractor to follow all applicable terms of this Contract. The Contractor is responsible to COMMERCE if the Subcontractor fails to comply with any applicable term or condition of this Contract. The Contractor shall appropriately monitor the activities of the Subcontractor to assure fiscal conditions of this Contract. In no event shall the existence of a subcontract operate to release or reduce the liability of the Contractor to COMMERCE for any breach in the performance of the Contractor's duties.

Every subcontract shall include a term that COMMERCE and the State of Washington are not liable for claims or damages arising from a Subcontractor's performance of the subcontract.

33. SURVIVAL

The terms, conditions, and warranties contained in this Contract that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Contract shall so survive.

34. TAXES

All payments accrued on account of payroll taxes, unemployment contributions, the Contractor's income or gross receipts, any other taxes, insurance or expenses for the Contractor or its staff shall be the sole responsibility of the Contractor.

35. TERMINATION FOR CAUSE

In the event COMMERCE determines the Contractor has failed to comply with the conditions of this contract in a timely manner, COMMERCE has the right to suspend or terminate this contract. Before suspending or terminating the contract, COMMERCE shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the contract may be terminated or suspended.

In the event of termination or suspension, the Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

COMMERCE reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by COMMERCE to terminate the contract. A termination shall be deemed a "Termination for Convenience" if it is determined that the Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of COMMERCE provided in this contract are not exclusive and are, in addition to any other rights and remedies, provided by law.

36. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Contract, COMMERCE may, by ten (10) business days written notice, beginning on the second day after the mailing, terminate this Contract, in whole or in part. If this Contract is so terminated, COMMERCE shall be liable only for payment required under the terms of this Contract for services rendered or goods delivered prior to the effective date of termination.

37. TERMINATION PROCEDURES

Upon termination of this contract, COMMERCE, in addition to any other rights provided in this contract, may require the Contractor to deliver to COMMERCE any property specifically produced or acquired for the performance of such part of this contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

COMMERCE shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by COMMERCE, and the amount agreed upon by the Contractor and

**GENERAL TERMS AND CONDITIONS

COMMERCE for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by COMMERCE, and (iv) the protection and preservation of property, unless the termination is for default, in which case the Authorized Representative shall determine the extent of the liability of the Authorized Representative. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. COMMERCE may withhold from any amounts due the Contractor such sum as the Authorized Representative determines to be necessary to protect COMMERCE against potential loss or liability.

The rights and remedies of COMMERCE provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

After receipt of a notice of termination, and except as otherwise directed by the Authorized Representative, the Contractor shall:

1. Stop work under the contract on the date, and to the extent specified, in the notice;
2. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the contract that is not terminated;
3. Assign to COMMERCE, in the manner, at the times, and to the extent directed by the Authorized Representative, all of the rights, title, and interest of the Contractor under the orders and subcontracts so terminated, in which case COMMERCE has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
4. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the Authorized Representative to the extent the Authorized Representative may require, which approval or ratification shall be final for all the purposes of this clause;
5. Transfer title to COMMERCE and deliver in the manner, at the times, and to the extent directed by the Authorized Representative any property which, if the contract had been completed, would have been required to be furnished to COMMERCE;
