Agency: Washington State Department of Commerce

Effective date of rule:

Permanent Rules

- 31 days after filing.
 Other (specify) _____ (If less than 31 days after filing, a specific finding under RCW 34.05.380(3) is required and should be stated below)

Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- Yes No If Yes, explain:

Purpose: The rule revises the method of determining whether a qualifying utility is eligible to use the no-growth compliance method under RCW 19.285.040(2)(d) of the Energy Independence Act. The revision is proposed in response to a request from the State Auditor for an interpretation of the existing calculation rule. The proposed method more closely tracks the language in the statute. The proposed method supports the policy objectives of the Energy Independence Act by clarifying and limiting the application of the no-growth cost cap provision.
