PERMANENT RULE (Including Expedited Rule Making)

Adopted under notice filed as WSR 19-19-087 on September 18, 2019 (date).

Describe any changes other than editing from proposed to adopted version:

Changes in WAC 365-220-070 and 365-220-075 included a format edit that moved the proposed section (3) language about the state match reversion to section (2) options A and C. Although a bit repetitive, the change provides the clarity needed for each appropriate option versus qualifying all three options (A-C) when section (2) option B needed no qualification.

Changes in WAC 365-220-100 included deleting the newest language from the previous rulemaking regarding transferring funds to an ABLE account not requiring governing board approval. Since WAC 365-220-025 defines ABLE as an eligible disbursement, moving money to an ABLE account is not a transfer, and the whole sentence in WAC 365-220-100 is irrelevant and therefore deleted. Further, the proposed last sentence in this section is deleted since disbursements for allowable and eligible expenditures include any state match funds available to the beneficiary. The sentence is irrelevant in the context of a disbursement to an ABLE account. The proposed language and previous change were not necessary because these are not transfers of funds to ABLE accounts. The original language about how to initiate a funds transfer is still pertinent.
