Commerce used a formula to determine ERAP awards. The Washington State Office of Financial Management awarded the funding to Commerce from the CARES Act and the Washington State Disaster Response Account.

- 85% of funds awarded to existing Consolidated Homeless Grant contractors. Awards amounts based on funding formula using the following factors:
 - Number of renter households
 - Number of unemployed people
- 10% of funds awarded to existing Office of Homeless Youth grantees with experience managing rent assistance. Award amounts based on funding formula using the following factors:
 - Number of renter households
 - Number of unemployed people
- 5% of funds to Commerce administration
- 1% of funds to the Department of Children, Youth, and Families for rent assistance to youth exiting foster care
