

RFQQ – PNWHUB22

ADDENDUM # 1 RFQQ CHANGES

Changes to Minimum Qualifications Section: **#1 and #2 of the Minimum Qualifications are updated as follows, all other minimum qualifications remain the same**

Changes to Funding Section of RFQQ: **The not to exceed Funding amount for Phase 1 of this RFQQ is updated to \$1,500,000, and language in Section 2.2 Funding are updated as follows, all other language within Section 2.2 remains the same.**

1.2 MINIMUM QUALIFICATIONS

In order to be considered responsive, Applicant must:

1. Preferred experience executing or managing DOE or other similar Federal agency work in excess of \$1B with annual budgets of \$200M or greater. Please justify how you will meet this larger scope of work, if you do not have this experience.
2. Experience in providing comprehensive management services for a consortium including business, finance, and associated support systems.

Proposals that do not clearly meet, justify or exceed all minimum qualifications listed above are non-responsive and will not be evaluated.

Bidders who do not meet these minimum qualifications will be rejected as non-responsive and will not receive further consideration. Any Response that is rejected as non-responsive will not be evaluated or scored.

1.3 FUNDING

Responses should not exceed \$1,500,000 for Phase 1, which includes the initial concept paper submission, final application, as well as managing and working with PNWH2 through this Hydrogen HUBS development and submission process to the DOE. Any responses in excess of \$1,500,000 will be considered non-responsive and will not be evaluated. In the event additional funding becomes available, any contract awarded may be renegotiated to provide for additional related services.

All other language remains the same and is unchanged.
